Please contact us if you want to request a saved game not shown.

We will do our best to preserve your saved games on your memory card. There should be no reason that you will lose any data unless there is not enough space on your memory card. Then we have the right to delete saved games files until there is enough room for the requested saved game.

Please print the form below, fill it in completely, and mail it with your memory card to:

Games Underground  
1242 West 5th ave  
Columbus OH 43212

Make sure you ship the memory card in a padded envelope. The sorting machine will damage your memory card if it is in a regular envelope
